## A Message from Mrs. Gerth

Dear St. Anthony Students,

At my wonderful "Send Off", when you all took me by surprise, Mrs. Glemmo asked if I'd like to say something. I was still in shock, so I said very little. But after reading your sweet letters in my journal, I want to say "Thank you!" I want to thank you for your work that went into putting on that little surprise and the extreme showering of love that I felt that day. Several of you in your letters thanked me for pushing you because I saw potential in you. It has really been a gift to me to be able to watch you grow, some of you from 3K all the way to 8th grade! I have watched you come in very shy, very unsure of yourself, not even wanting to sing to me, "Good morning, Mrs. Gerth!" And now you are on stage singing solos, saying lines, and dancing your heart out and I am so proud of all of you!

And now, as you go on into your next year, whether it is at St. Anthony, or high school, it is your turn to share those gifts and those talents that you discovered through all of our music classes and continue using those talents that God gave you. I encourage you to try new things - keep singing, keep dancing, keep doing plays, and most of all, keep stretching your creative imaginations. You will discover more about yourselves and will be better for it.

Thank you again for your very sweet notes, sweet voices and your very sweet hearts! I will miss you all. I will take all of you in my heart as I leave. Never doubt yourself. Always put yourself around positive people that are going to bring out those wonderful qualities in you. And always remember to KYB. Kiss Your Brain!!
